May 27, 2021

Tel Hai Retirement Community is committed to reopening our community safely with a risk-adverse approach. In accordance with Governor Wolf's most recent update, **effective Monday, May 31**, all COVID-19 restrictions related to occupancy limits of gatherings, public spaces, etc. will be lifted.

StoneCroft Aquatic Center usage can resume to prepandemic capacity. This means we will not require reservations to swim during community swim times nor limit the amount of time you swim per week. We will also eliminate locker room assignments. In an overabundance of caution, we will still separate the resident and community swim times.

Community-swim hours:

Monday	**Tuesday**	**Thursday**	**Friday**	**Saturday**
7:30-8:45am 12:30-3:45pm	10:30-11:45am 2:30- 6:00pm	10:30-11:45am 12:30-6:00pm	7:30-8:45am	9:45-11:45am

Additionally, effective immediately, we are pleased to announce that individuals who are **fully vaccinated** may go "maskless" indoors as well as outdoors on the Tel Hai campus (except Meadows Health Care Center, Lakeview Personal Care and Adult Day Services).

If you have any questions, please contact Sandi Brandt or Gwynne Johnson at 610.273.9333 extension 2441 or email aquatics@telhai.org with any questions.

Thank you for your cooperation and understanding with this process. We will continue to review best practices and will adjust as necessary and in line with Department of Health (DOH) and Center for Disease Control and Prevention (CDC) recommendations.

Sincerely,

Allyson Welsh, MS
Director, Wellness and Resident Services
