

Tel Hai
Redefining Retirement™

ifty-five years ago, our two founding churches—Maple Grove Mennonite and Conestoga Mennonite Church—began a journey of compassion and commitment that continues today. Just as their vision was thoughtful and driven by a desire to do the Lord’s work, so too does today’s Tel Hai leadership strive to create that right

balance of housing and services that truly reflects the interests and future needs of residents.

This year, we realized growth in a myriad of ways, including the addition of many new faces as residents occupied custom cottages and apartments. Our Pastoral Services staff grew by two as well. New places enriched our campus, including completion of the new Cedar Ridge neighborhood, repurposing of the Garden Gathering Place, and creation of additional staff spaces. It has been a busy and rewarding year.

Our annual report, now named *Reflections*, carries on the decades-long tradition of our publication by that name begun in the 1980s, before there was a Hillcrest or Garrett Community Center. That quarterly newsletter shared in reflections Tel Hai news and the stories of our residents, volunteers, community outreach and staff. Always a welcome addition to stakeholders’ mailboxes, we hope our new application of the *Reflections* name will carry on that tradition.

“Enlarge the place of your tent, and let the curtains of your habitations be stretched out; hold not back, lengthen your cords and strengthen your stakes.”

—Isaiah 54:2

LEADERSHIP LETTER

Dear Friends,

The title of this year's annual report is "55 and still growing." As an anniversary for Tel Hai, it represents another significant milestone in our long history. The gemstone for a 55th anniversary is emerald—a rare, valuable mineral and a green gem. What a nice fit with our theme of "still growing," as green exemplifies life, energy and growing things.

Parallel examples abound as we reflect over the past year and look to the future. The completion of the Cedar Ridge project of 23 cottage homes, adding 44 new residents to the Tel Hai family, was a highlight of the past year. The floor plans and amenities of the new residences have been enthusiastically received and are providing marketing momentum for further growth considerations.

The social accountability program announced last year, under Director of Development Renny Magill's leadership, has provided an accountability framework for new initiatives and broadening of existing programs of Tel Hai support to the greater community.

The past year was marked by a transition in leadership. Randall Stubbs assumed the role of Chair of Tel Hai's Board of Directors following Larry Massanari's completed term of service. Randy, a Director for the past six years, did not miss a beat and has capably led the board through a very busy and successful year. Resident Robert Hoffman and attorney William Colby were elected to the Board in September and are also offering valuable contributions. Under a staff leadership reorganization, new administrators were appointed—Katie Buck for Residential Living and Janice Williams for the Meadows at Tel Hai. Along with Lakeview at Tel Hai's administrator, David Dunn, this team is providing fresh energy and focus to our core programs.

The future is bright with growth opportunities. An emerging trend within senior programs is home and community-based services. We are studying appropriate ways for Tel Hai to be a player, including further expansion of the Home Care at Tel Hai program. Capitalizing on the success of Cedar Ridge, a second phase of cottage expansion is under way. The Woods Edge neighborhood of 55 homes was launched in August, with construction expected to extend into early 2013. With the sellout of this phase nearly

complete, we have turned our attention to resident prospects interested in apartment living. Currently, we are working on the design of StoneCroft, which will encompass three apartment buildings and a new community center to be built in several phases.

We hope the friends of Tel Hai will continue on this journey of thoughtful growth with us as we look to the future from the Hill of Life with enthusiasm and prayerful planning.

“Blessed is the man who trusts in the Lord, whose trust is the Lord. He is like a tree planted by water, that sends out its roots by the stream, and does not fear when heat comes, for its leaves remain green, and is not anxious in the year of drought, for it does not cease to bear fruit.”

OUR AFFILIATES

The 1950s vision of what Tel Hai could become was realized through the commitment of caring individuals, congregations, and mission organizations in ministry together—a bond that continues to enrich the life of Tel Hai today. The *Engaging the Faith Community* initiative was commissioned by the Tel Hai Board of Directors in 2008 for the purpose of enhancing Tel Hai’s faith-based foundation through the development of strong relationships with local Anabaptist and Evangelical churches.

In the past year, the Parkesburg Baptist Church became the fourth Tel Hai covenanted congregation. It joins Conestoga Mennonite, Honey Brook Presbyterian, and Maple Grove Mennonite Churches with the Atlantic Coast Conference of the Mennonite Church to form a valued partnership of ministry and support. These intentional relationships provide shared resources in the form of expertise, meeting space, mutual counsel and cooperation in ministries and outreach.

Department staff also grew this year. The newest staff member is **Chaplain Brenda Socci**. When Tel Hai was being formed, Brenda’s grandfather, Isaac Leonard, was a Philadelphia businessman who served as Secretary for the American Board of Missions to the Jews. This organization provided a variety of services for a growing population of American Jewish immigrants and was an early partner in Tel Hai’s formative years.¹ As a preteen, Brenda traveled cross-country with her

grandfather doing this organization’s work. Her father, Lloyd Smith, was employed by Billy Graham Film. These family influences proved formative in her spiritual life. A Massachusetts native, Brenda brings wide experience in a variety of evangelical faith congregations. She recently completed her master’s degree at Palmer Seminary, Wynnwood, PA. Brenda came to Tel Hai first in 2009 as a chaplain intern through Palmer Seminary.

A native of Chester County, **Pastor David Hicks** also joined the staff. Upon graduation from West Chester University with a degree in Music Education, he directed several *Campus Crusade for Christ* traveling musical groups, including *The Great Commission Company*, *PRISM*, and the *Continental Singers*. Musical tours took him through the United States and to Asia and Europe. David received his master’s degree through the

PASTORAL CARE REPORT

International School of Theology in San Bernardino, California. He currently serves as pastor of Faith Alliance Church, Glenmoore, and is a chaplain with the Chapel of the Four Chaplains in Philadelphia. David was a chaplain first responder in New York City following 9-11. He also serves as chaplain for the Glenmoore Fire Company. Brenda and David provide pastoral support on campus two days each week.

The purpose of the department's expansion is twofold, according to **Timothy Herr, the Director of Pastoral Care**. The first goal is to increase pastoral care to Tel Hai residents and staff. The second is to provide additional resources for the *Engaging the Faith Community* initiative.

We value the gifts of spiritual support that each congregation, agency and individual has provided to the residents of Tel Hai over the past year. We recognize that together, we are co-laborers with God.²

“And so, from the day we heard of it, we have not ceased to pray for you, asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding, to lead a life worthy of the Lord, fully pleasing to him, bearing fruit in every good work and increasing in the knowledge of God.” –Colossians 1:9-10

SUMMARY OF PASTORAL CARE DEVELOPMENT ACTIVITIES

- Thirty different congregations, among other fellowship groups, supported the Pastoral Care Office by leading our twice-weekly worship services on campus this year.
- Living God Lutheran Church continues to lead a weekly Bible study group.
- Catholic residents are supported through two services per month led by St. Peter's Parish.
- During the year, the department was privileged to host two interns, one as a cooperative venture with a local congregation and the other a student from Palmer Theological Seminary.
- Three Honey Brook Area clergy lunches were held during the year for purposes of collegiality and conversation.
- Chaplain Tim Herr became the Tel Hai representative to the Atlantic Coast Mennonite Conference Congregational Related Ministries Committee.
- On-site educational programs for congregational leaders and members:
 - Congregational Health Ministries seminar, led by Adventist WholeHealth of Reading, engaged clergy and laypeople of 14 area congregations to explore what more can be done to support individuals' health needs.
 - Dr. Manisha Shendge, Vitas Hospice Chaplain, led a grief workshop that drew members of 8 local congregations.
- Parkesburg Baptist's seven-week series on Pastor Don Piper's *90 Minutes in Heaven* was capped by his inspirational lecture, offered in Downingtown; Tel Hai provided transportation for residents to facilitate attendance.
- Parkesburg and Wyebrook Baptist churches presented Christmas cantatas.
- Hopewell Christian Fellowship presented an informational session on a recent mission trip to Kenya, Africa, where they ministered in several orphanages and schools.
- Ministry representatives leading chapel services included Tel Hai Camp & Retreat Center, CLC International, Salvation Army, Chester County Corrections Gospel Mission, Wycliffe Translators, Bridge of Hope, Mennonite Central Committee, American Baptist International Ministries and Delaware County Child Evangelism.
- Four covenant-congregations and St. Peter's Parish provided Christmas gifts for residents of Lakeview at Tel Hai.
- Honey Brook Presbyterian hosted Tel Hai's annual Strategic Planning Retreat; four community clergy also participated.
- Tel Hai hosted three different congregational leadership retreats and a baptism.

As you read this annual report, you'll note that Tel Hai has a 55-year tradition of contributing to a strong sense of community for everyone who encounters us—on our campus and through the services we offer. In addition, we have a strong heritage of reaching out beyond our campus into the broader community to support local initiatives and offer free services on our campus that are open to all.

This past year, we offered our core services again through the provision of affordable housing in our rent-subsidized Tel Haven apartments. The Adult Day Services program offered support to seniors and their families in the region seven days per week, and benevolent care paid on behalf of residents in our service continuum made sure they received the financial assistance needed to continue living with assurance and dignity.

Various departments throughout Tel Hai provide professional support services and seminars free of charge to the public. These include an Alzheimer's Support Group, Honey Brook Area Clergy lunch series, and seminars on grief and loss, as well as lectures and learning enrichment programs.

Tel Hai also hosted several major community events during the year, including our popular concert series, a Merchants' Faire and Holiday Shoppers' Bazaar, an annual High School Student Art Show, YMCA- led swimming classes for youth, book sales, and a children's outgrown sale.

“Bear one another’s burdens, and so fulfill the law of Christ.”

—Galatians: 6-2

Finally, Tel Hai provides direct support to numerous local and regional organizations. Each year, we make significant contributions to support core services in Honey Brook, including the Honey Brook Fire Company and EMS, Honey Brook Library, and Honey Brook Elementary

Center. In addition, we make sponsoring contributions to support numerous athletic and school organizations, and conduct a food drive for and provide volunteers to the Twin Valley Food Pantry. We annually host a blood drive for the Central PA Blood Bank and have been a supporting member of the Honey Brook Community Partnership, and provide underwriting sponsorship of the Honey Brook Harmony Day event.

TEL HAI DEVELOPMENT: BENEFITING THE COMMUNITY

Legacy Giving Continues Growth

For 55 years, Tel Hai has been providing services as an expression of its mission as a non-profit organization. From its beginning, Tel Hai has been blessed by charitable contributions from churches, groups and individuals.

Thanks to the many contributors over the years, we have been able to establish the *Care Assurance Fund* to provide direct assistance to residents, as well as implemented a number of capital campaigns in which individuals and families have stepped forward to provide funds for common areas like the chapel and community center. In addition, we have been the recipient of the legacy gifts generosity of individuals who have included a gift to Tel Hai in their estate.

Purpose of Contribution	July 1, 2010 to June 30, 2011
<i>Care Assurance Fund</i>	\$306,967.74
Restricted for departmental use	\$37,557.36
Unrestricted use	\$343,637.11
Chapel offerings for outside organizations	\$8,766.48
TOTAL	\$696,928.69
Total received from Estate Gifts:	\$500,247.20

At 55 and growing, Tel Hai Development has been blessed by legacy giving that is actively growing. Following up on the strength of 2010 fiscal year, when we received \$420,000 in estate gifts, 2011 estate gifts topped \$500,000. We were honored to receive 12 gifts from 9 donors.

• Thank you to the many individuals and companies that contributed to Tel Hai in the 2011 fiscal year. The names of donors will now be included in the development office newsletter, Lifelines. The donor list will be included in the Winter 2012 edition, which will published in January 2012.

TEL HAI DEVELOPMENT: BENEFITING THE COMMUNITY

WE NOTE APPRECIATION AND REMEMBER THE FOLLOWING INDIVIDUALS:

Dietland Goldstein

We were pleased to receive an unrestricted bequest from Mrs. Goldstein, a former Tel Hai resident.

Jane Helms

We received two estate gifts for the *Care Assurance Fund* from former resident Ms. Helms, a distribution from her Charitable Gift Annuity and an outright bequest from her estate.

William Hogeland

From this former board member, fondly referred to as “Mr. Tel Hai,” we received a distribution for the *Care Assurance Fund* from Mr. Hogeland’s Charitable Gift Annuity.

Mildred W. Jacobs

We received an unrestricted bequest in memory of Mrs. Jacobs’s late husband, William L. Jacobs, and son John W. Jacobs. Mrs. Jacobs’s bequest will be used to underwrite the Meadowbrook Family Room renovation, which will be known as the Jacobs Memorial Family Room.

Yvonne R. Johnson

We received an additional distribution from the estate of Ms. Johnson, a local resident whose initial bequest was received in 2004.

Ilse Kind Kuch

We received the last distribution from a Charitable Lead Trust that Mrs. Kuch set up in 2001. In the intervening years, we have received annual payments from the Trust for the *Care Assurance Fund*.

Ira Nissley

We received distribution from Mr. Nissley’s Charitable Gift Annuity, which was earmarked as part of his gift to fund the Nissley Dining Room in the Garrett Community Center.

Doris Saalbach

We received a final distribution from Ms. Saalbach’s estate for the *Care Assurance Fund*.

Renate Weiss

We received an unrestricted bequest from Mrs. Weiss’ estate. The funds will be used to begin a significant wellness initiative at Tel Hai.

FINANCIALLY SPEAKING

Reflecting on 55 years of continuing growth, we think of the vision cast by our founders that is now recognized when documenting Tel Hai's financial well-being. I am appreciative of the managers and department leaders who employ their management gifts monitoring expenses while delivering quality care that fulfills our organizational mission.

I am also appreciative of the Marketing Team's efforts in maintaining excellent census in all levels of residential living on campus. Being a part of the Tel Hai community for the last 35 years, I see us maintaining stable operations while looking toward the future with excitement.

This past year, our financial performance produced a gain from operations of \$1,229,025. The gain reflects a significant number of bequests, including a bequest restricted to the *Care Assurance Fund*. This fund, established to offset costs incurred in providing uncompensated care, increased by \$589,347 from this gift and other contributions and from improvements in the investment market. This past fiscal year, Tel Hai provided \$1,568,109 of uncompensated care throughout all levels of service. Tel Hai is fortunate to have a community of donors who generously support this fund and the mission of Tel Hai.

Investments in property and equipment totaled \$6,928,537 this fiscal year. The improvements include land development for Woods Edge and final construction costs for the Cedar Ridge neighborhood, costs to improve current residential and Lakeview accommodations at turnover, and ongoing capital expenses to maintain facilities.

This fiscal year, we recorded unrealized gains as the value of investments and the interest rate agreements improved. Tel Hai anticipates continued recovery of the unrealized losses on investments' value within the interest rate agreements as the nation's economy stabilizes.

The financial stability we enjoy is accomplished through many partnerships with stakeholders. I continue to be thankful to the Resident Finance and Board Finance Committees, as well as our managers and Marketing Team, for their assistance, prudence and commitment to this community.

The reports included in these pages reflect a summary of the financial statements issued by our independent accountants. As part of their review, Tel Hai received a "clean opinion"—the highest level of assurance provided by auditors.

and Administration*
