# THE Meadows

Health Care Center

### CARE QUALIFICATIONS

The Meadows Health Care Center at Tel Hai team members include a medical director, registered nurses, licensed practical nurses, licensed rehabilitative therapists, social workers, nursing assistants, chaplains and wellness associates. Specialized services available include: audiology, dental, dermatology, laboratory, psychiatry, psychology, vision and x-ray. Our goal is to provide high-quality healthcare in a compassionate and comfortable environment.

### ACTIVITIES AND WELLNESS

Tel Hai's commitment to wellness promotion ensures that each day a variety of activities and programs are offered to residents of The Meadows at Tel Hai. The wellness activities are designed to enhance the physical, social, emotional, spiritual, intellectual and vocational well-being of the residents. Residents have the opportunity to take part in physical and mental activities, musical programs and intergenerational programs with child day care participants on the Tel Hai campus.

*Effective July 1, 2016*

### ABOUT TEL HAI

For 60 years, Tel Hai residents have redefined retirement—enjoying outstanding amenities, distinctive services, inviting residences, and an exceptional team of professionals. Located in the Chester County countryside in southeastern Pennsylvania, our nationally accredited non-profit community offers the charm and allure of a small town, where a deep sense of connectedness and fullness of life is experienced by each person—wherever you reside. Our accredited person-centered care facility is resident directed, and a resident's day-to-day routine is tailored to reflect their preferences. The Meadows is dedicated to making the resident as comfortable on campus as they are in their home in the community.
