Coronavirus (COVID-19) Information Update
1 New Positive Case of COVID-19
Sunday, June 14- 2:00 PM

Yesterday, we received notification that a Lakeview Personal Care resident has tested positive for COVID-19. The resident was tested on June 11– as part of our 'Universal Testing Strategy'— and we received the test results on June 13.

The individual has been isolated in their accommodation within Lakeview since June 10. At this time, we have identified all team members and residents who have been in direct contact or had a potential exposure with this resident and their responsible party/family have been notified.

As we previously shared, we instituted a 'Universal Testing Strategy' in both Meadows Health Care Center and Lakeview Personal Care, as mandated on June 8 by the Pennsylvania Department of Health (DOH). All residents within Lakeview Personal Care have now been tested, and all other test results currently received have been COVID-19 negative.

<mark>Previously Announced:</mark>

<mark>COVID-19 Communication Reminders:</mark>

- Residents are encouraged to consult their healthcare provider if experiencing signs or symptoms of a respiratory infection, such as a fever, cough, shortness of breath, sore throat or worsening symptoms.

- While we strive for transparency in everything we do, please know that we are bound by federal guidelines under the Health Insurance Portability and Accountability Act (HIPAA), which protect the privacy of team members and residents who may not want their condition known.

- We have notified public health officials as required and have enacted recommended procedures as a result of these COVID-19 positive test results. We have followed, and will continue to do so, all guidance set forth for privacy, patient care, resident and team member safety, and efforts to stop the spread of COVID-19.

- We appreciate your understanding as we continue to vigorously enforce all safety and security measures in place, as the wellbeing of residents and team members is our first priority. We ask that you support our community by following the recommendations set forth by the CDC including social distancing, wearing a mask and proper hand hygiene.

We will continue to provide you with periodic updates on our efforts to combat COVID-19 on our website at www.telhai.org/Covid19 and our 24-hour Tel Hai COVID-19 Information Hotline at 484-796-4862.
