

## Coronavirus (COVID-19) Information Update:

Wednesday, January 27, 2021

We wanted to provide you updated information related to Tel Hai's infection prevention methods and our response to the COVID-19 pandemic.

**Since our last communication on Thursday, January 14, we're blessed to share that we are currently COVID-FREE in both Lakeview Personal Care and Meadows Health Care Center!** We appreciate your support and ask for your continued prayers. We must all remain vigilant in keeping COVID-19 at bay, as it takes the cooperation of our entire community.

Unfortunately, we've had additional cases of COVID-19 among Residential Living residents and a team member within the last two weeks. Please reference the chart below, which includes all cumulative cases since March. We are reporting all active cases of COVID-19 among team members and residents, along with those who have recovered.

We are still proceeding with our 'Surveillance/Routine Testing' strategy, per guidance by the PA Department of Health for Meadows Health Care Center. We are still proceeding with our 'Screening Testing' strategy, per guidance by the PA Department of Human Services for Lakeview Personal Care.

For all previously announced COVID-19 positive cases, please visit our website at [www.telhai.org/COVID19](http://www.telhai.org/COVID19) for a complete, historical listing.

### COVID-19 Communication Reminders:

- While we strive for transparency in everything we do, please know that we are bound by federal guidelines under the Health Insurance Portability and Accountability Act (HIPAA), which protect the privacy of team members and residents who may not want their condition known.
- We have notified public health officials as required and have enacted recommended procedures as a result of these COVID-19 positive test results. We have followed, and will continue to do so, all guidance set forth for privacy, patient care, resident and team member safety, and efforts to stop the spread of COVID-19.
- We appreciate your understanding as we continue to vigorously enforce all safety and security measures in place, as the wellbeing of residents and team members is our first priority. We ask that you support our community by following the recommendations set forth by the CDC including social distancing, wearing a mask and proper hand hygiene.

The public will be provided periodic updates on our efforts to combat COVID-19. Communication methods include written notices our website at [www.telhai.org/Covid19](http://www.telhai.org/Covid19) and on our 24-hour Tel Hai COVID-19 hotline at 484-796-4862.
