REMINDER- GETTING YOUR VACCINE- We are currently working with Stauffer's Drug Store of New Holland to vaccinate team members, residents, family members and the general community. Our next clinic is Thursday, May 6. Register online now if you'd like to receive your vaccine:
<https://www.telhai.org/vaccine>

REMINDER- AFTER YOUR COVID-19 VACCINE- At this time— despite being vaccinated— we must all remain vigilant about infection prevention methods.

- Even if you got the vaccine, YES... You still need to wear a mask!
- Even if you got the vaccine, YES... You still need to practice social distancing!
- Even if you got the vaccine, YES... You still need to wash your hands often!

Please remain vigilant about social distancing, wearing a mask and proper hand hygiene.

We appreciate your understanding as we continue to vigorously enforce all safety and security measures in place.
