

**Coronavirus (COVID-19) Information Update
Mask Mandate Expiring
Friday, June 25, 2021**

We wanted to update you on the PA Department of Health's recent announcement related to the mask mandate expiring effective Monday, June 28.

FOR RESIDENTS, FAMILY MEMBERS, GUESTS, VISITORS:

Residents, family members, guests and visitors who are **UNVACCINATED** are no longer required to wear a mask in public indoor or outdoor spaces in **Residential Living** beginning Monday, June 28.

All individuals— regardless of vaccination status— are still required to wear a mask when indoors in Meadows Health Care Center, Lakeview Personal Care, and Adult Day Services, per the PA Department of Health and PA Department of Human Services requirements.

Tel Hai is asking for your continued patience and cooperation as we work through these changes including updating signage, written and digital communication. We are committed to reopening our community in a safe and risk-adverse approach. For all previously announced COVID-19 communication, please visit our website at www.telhai.org/COVID19/
