Loving Life at Tel Hai

COMMUNITY • CULTURE • CONNECTIONS

At Tel Hai, we hear the same comment often: “I should have moved sooner.”

Whether it’s a Friday night cookout with neighbors or a pick-up game of bocce ball, resident conversations reflect the when and why of their move to the “Hill of Life.”

Reflections almost always include the same sentiments. They could no longer keep up with the house. Their spouse’s health began to decline. They wanted a plan for future care needs. They wanted financial security and safety.

No matter the when or the why, they’re glad they did. Because they’re loving life at Tel Hai.

Life at Tel Hai is centered on community, culture, and connections. It's the experience of living in a place where you're surrounded by people who care about you and encourage you. It's the moments of fun, joy and delight, and sharing them together with friends and neighbors.

Throughout our recent years of growth, we've been intentional about creating and renovating spaces for the community to come together. From entertaining summer concerts in our outdoor amphitheater to enriching wellness classes in our gyms, we offer the places, the people and the programming for memory-making moments. It's those moments that you just can't simply get staying at home.

The history of these moments combined—spanning more than six decades—has resulted in an undeniably unique Tel Hai culture. One that stands firm on the pillars of our foundation of faith. We're rich in heritage, with a legacy of exemplary service and care. It's just who we are.

A continuing care retirement community like Tel Hai affords you the opportunity to experience life to the fullest. Exactly how you choose to spend it. It's enjoying the advantages of living "in-community" in a way that matches your interests, your passions and your comfort.

It's never too early to begin exploring what future awaits you at Tel Hai. Start with us; start today.

And like our residents, you'll be glad you did. Let us welcome you home to Tel Hai.

Living the Experience

Like many of our Life Plan Community peers, Tel Hai partners with Pinnacle Quality Insight to survey the experience of residents on a monthly basis.

The purpose of the survey is to understand the resident experience and identify opportunities for improvement. We identify, analyze and apply the feedback to enhance our core service areas, from lunch service to mail delivery.

Let's take a look at what they're saying.

“Tel Hai is a warm and caring community. People support each other and we just have a lot of fun living here.”

“I love the friendships and connections I've made with neighbors. It's just a neat place to live.”

“Staff respects my independence, but they are a call away if I need something. I like knowing I have support when I need it.”

“Living at Tel Hai is like being on a cruise ship... but I never have to get off!”

“This community is filled with peace, serenity, security and safety. It's everything I desired since I live alone.”

“We have fun! What's better than that? It's a beautiful community—right next to the golf course—and it's clean, well-managed and you're never bored.”

Tel Hai cottage resident JoAnne Kirn with her miniature Goldendoodle Abby.

Living Your Pets

We know that beloved pets can be an integral part of your family. Don't let Fido stop you from exploring your retirement options at Tel Hai. We're a pet-friendly community and can't wait to welcome your pet "home" to Tel Hai. We love cats, pups, birds, rabbits and creatures big and small! Dogs are permitted in cottages, townhomes and ground-level, private-entrance apartment units.

You'll start to see the "Pet Friendly" logo on many of our communications. If you have a specific pet-related question, contact Tracy Weaver, Residential Living Counselor, at (610) 273-9333, ext. 2700 or email tweaver@telhai.org.
