

Adult Day Services at Tel Hai

Features, Services & Pricing

Adult Day Services at Tel Hai offers personalized, quality care for adults challenged by physical disabilities or memory loss/dementia, who require daily supervision. Available to the greater community and residents of Tel Hai, our day program provides stimulating and structured programming while participants maintain their level of independence in a secure environment.

Tel Hai's Adult Day Services program is licensed by the Pennsylvania Department of Aging and funded in part by the Chester County Department of Aging Services.
