

STONECROFT AQUATICS CENTER: BUILDING ACCESS

January 12, 2023

Dear Community Member,

I would like to inform you of changes we're making for access/entry into the StoneCroft Aquatics Center.

In order to enhance building security, the StoneCroft Health Suite/Pool entrance doors will be locked 24- hours a day, 7 days a week beginning Wednesday, February 1.

As a Community Pool Member, you will be assigned a personal PIN number for access into the building. This PIN number will be valid for the time period of your membership. If/when your membership ends, you will no longer have access to the building.

Sandi Brandt, Aquatics Coordinator, will notify you of your personal PIN number prior to February 1.

Thank you for your understanding in this change, as it's our intention to provide a safe, enriching and rewarding experience at Tel Hai. We will continue to reassess our own security processes and procedures, and will continue to make Tel Hai as secure as we are able.

Please contact me with any questions or concerns. I can be reached at awelsh@telhai.org or 610-273-9333 extension 2756.

Thank you,

Allyson Welsh, MS
Director of Wellness and Resident Services
