SWIM LESSON PROGRESSION: We at Tel Hai believe in consistency and repetition for successful progression of swim lesson skills. To aide in the progression of skills we will be introducing a new registration program. Beginning 2024, towards the conclusion of the running session registration will open first to current participants. You will be prompted to notify your instructor before your last day of lessons if your swimmer will continue onto the next session. Payment will be due at that time. Once all current swimmers have registered, at that time the class will open for new participants.

Please make sure you register for the correct class for the skill level of your swimmer. View the swim lesson information flyer for more details on skill levels. Lessons may be subject to change. Pricing is for the full 6-week session. **Team Member Rate is for employees of Tel Hai Retirement Community only. Group lessons cannot be prorated and makeup lessons and refunds will not be offered.
