Bountiful Abundance

At the *Hill of Life*, autumn is a season of transition. It's when refreshing, dew-filled mornings and crisp nights pair perfectly with the rejuvenation of a bountiful harvest. From our view, rolling hillsides are dotted with pumpkins and hues of amber, crimson, and gold like a painted landscape of fall colors.

Autumn's beauty lies not only in its visual splendor but also in the feelings it evokes—the quiet beauty that lies ahead. It's a season that reminds us of the fleeting nature of life and the importance of savoring each moment—wrapped in the warmth of community—and the promise of seasons yet to come.

Abundance OF COMMUNITY

Set on 148 acres, the Tel Hai campus is filled with endless spaces and places to connect with your neighbors, explore a new hobby or interest, and enjoy the abundance of living “in-community.” Residents love the comfort and privacy of their private cottage, townhome or apartment, combined with opportunities for connection just outside their front door.

Perfectly positioned with outstanding views of the Chester County countryside, we’re surrounded by Amish farmland yet tucked into a wooded retreat filled with charming pocket neighborhoods. The Honeybrook Golf Club—only a few mere minutes away—matches the friendly and fun atmosphere of country living within Honey Brook.

Abundance OF CHOICES

In choosing a Life Plan Community like Tel Hai, you’ll have the full complement of continuing care services available if and when you need it. It’s about access to an abundance of care options that you may one day need, including home care, personal care, memory support, skilled nursing care, and short-term rehab and outpatient therapy services.

No matter how long or which level of care you utilize, you only pay for the care services you actually use. You’re the decision-maker in your life, so your future care needs should be your choice.

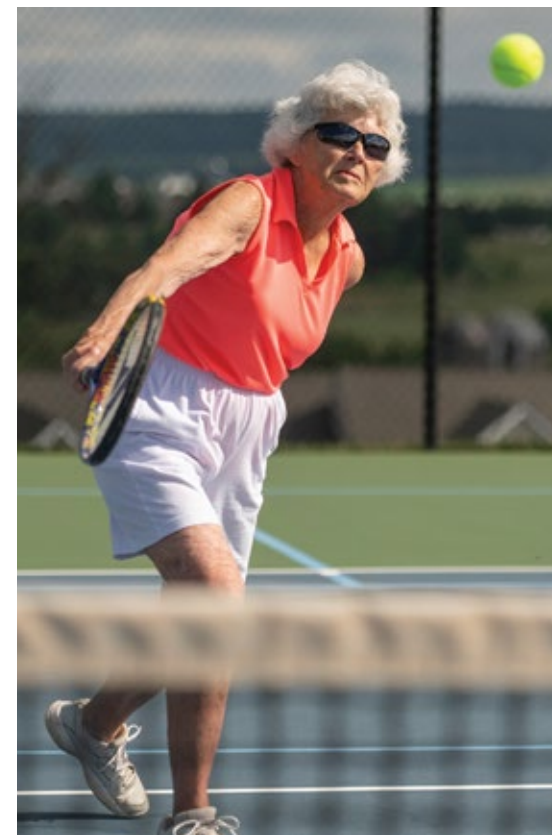

Resident Jean Palmer enjoys reading and tending to her plants on her Hillcrest Apartment porch that she fondly calls her “oasis.”

Abundance OF AMENITIES

Our worry-free lifestyle empowers residents to truly embrace the Redefining Retirement™ concept... the heart of Tel Hai. Life is centered on enjoying the unmatched amenities found throughout the campus, like our two pools, two community centers, multiple arts and hobby spaces and, of course, more than 4.3 miles of wooded hiking trails and walking paths.

Resident-led interest groups, robust wellness activities and dynamic programming provide limitless ways to spend your days doing what you want, when you want.

Are you ready for a life of abundance at Tel Hai? Let’s start a conversation on how to get started. Contact us today at info@TelHai.org, (484) 796-4262 or online at TelHai.org/visit
