# Swim Lessons Spring Session 2, 2025

Five- Week Sessions:  
Beginning Tuesday June 3 2025

Registration Opens: 12:00 Noon, Tuesday May 27, 2025

## **GROUP LESSONS: 1 Lesson Per Week**

Class sizes are limited. Please keep in mind it is a first come first serve basis.  
Please see registration process below.

**SWIM LESSON PROGRESSION:** We believe in consistency and repetition for successful progression of swim lesson skills. To aide in the progression of skills, towards the conclusion of the running session, registration will open first to current participants. You will be prompted to notify your instructor before your last day of lessons if your swimmer will continue on to the next session. Payment will be due at that time. Once all current swimmers have registered, registration will open for new participants.

**Please make sure you register for the correct class for the skill level of your swimmer.** View the swim lesson information flyer for more details on skill levels. Lesson offerings may be subject to change. Group lessons cannot be prorated and makeup lessons and refunds will not be offered.
